

Call One Connects...

From Mile to Magnificent Mile

MEMBER BENEFITS PROGRAM

The GNMAA is providing you with the opportunity to work with Call One, a single-source telecommunications provider and the Nation's largest reseller of AT&T/SBC services and features. Call One simplifies telecommunication and provides you with a high emphasis on personal relationships and service. The level of attention you receive from Call One is rare to the industry, and exclusive to members of the GNMAA.

Testimonials from GNMAA Members:

Aflac provides its clients with the "peace of mind" of knowing things will be taken care of when faced with the uncertainty of illnesses and injuries. Our relationship with Call One has given us the "peace of mind" of knowing that our telecom needs will not inhibit our ability to pursue this noble mission or our business goals. Their commitment to personalized service is truly a breath of fresh air and they receive my highest recommendation.

*Adam H. Michaels

"We are in the restaurant business, not the telecom business. Ever since we became a Call One customer, there is one less thing we have to worry about. It is a pleasure to be consistently supported by professionals who are dedicated to service and know the value of the customer. We know, one call to Call One and it's done!"
