

Illinois Automobile Dealers Association Member Benefit Program

TELECOMMUNICATION DISCOUNT PLAN FOR TOTAL OVERALL SAVINGS:

The IADA is in year two of its successful member benefit program with Call One, a single-source telecommunications provider and the Nation's largest reseller of AT&T product and services. Call One simplifies telecommunication and provides you with a high emphasis on personal relationships and service. The level of attention you receive from Call One is rare to the industry, and exclusive to members of the IADA.

"Our affinity program with Call One has benefited our association in a variety of ways. With Call One, we're able to offer our members a unique telecom service that we trust. Our membership is in the automobile business - not the phone business. When you become a Call One customer, there is one less thing to worry about. Any which way you look at it, Call One keeps us moving forward."
